

Welcome to NeighborTap!

We are excited to announce that the Briargrove Property Owners has acquired a new exciting tool to provide a more secure digital environment and better communication between the Patrol, Management and the Residents of Briargrove. This system will allow the patrol officers to have access to your residential information at their fingertips at all times. It is a highly secure system and now the officers will have access to all of your residential preferences before they arrive at your residence. In order to get started, simply click on the **Register** button on the login page. Please visit the My Residence tab after registering and provide the details about your residence. **Log in today at <http://briargrove.neighbortap.com> to get tapped in.** Some of the many benefits that NeighborTap has to offer are explained below.

Out of Town Requests

Heading out of town? Notify Briargrove Patrol with a couple of clicks.

Log on to your NeighborTap account and click on the "Out of Towns" tab.

From there you can create a new "Out of Town" request to inform officers to monitor your residence while you are away. Enter the dates that you will leave and return to your house, along with any special instructions that officers should be aware of and Briargrove Patrol will take care of the rest.

Classified Ads

Interested in buying or selling used items? With the NeighborTap Classified Ads, buy and sell with trusted neighbors.

Your ads will only be viewed by verified residents in your neighborhood, creating a more safe environment for your transactions.

Business Directory

In need of home services? Find local businesses using the Business Directory Tab.

As you utilize companies within the business directory and find that they meet or exceed your expectations, endorse them by simply clicking on the "Thumbs up" icon.

The total number of endorsements from your community will be displayed to help you better decide which company to use.
